SECTION ACTIVITIES SINCE CHARLESTON

Appointment of a local cabinet (council) by the new Section Representative

Meeting of the new cabinet on May 31, 2009

Recognition of the new (2009) promotees was accomplished with an article and picture in the local newspaper.

July 8, the cabinet met to complete plans for the Awards Banquet to be held in August.

On August 7, the Annual Bishop's Awards Banquet was held with presentation of Awards and Diplomas to Promotees and new members. Special Awards were presented to former Section Representative, Sir Erwin Engert and his wife, Lady Julie Engert. These awards were presented by Bishop Glen John Provost for the years of outstanding service they have given to the Order. The attendance at this event was great. We had 35 persons including 5 clergy members on hand.

An Honorarium of \$400.00 was given to the Lieutenancy in recognition of the services of Sir Engert as the long time Section Representative.

Several of our members have served as escorts for the Bishop at the 9:30am Mass at the Cathedral on certain Sundays. These escort duties have been in conjunction with other knightly Orders.

On August 22, Holy Sepulchre Members were out in large numbers at a Seminarian Bar-Be-Que that was sponsored by the local SERRA Club. This is an Annual event that is given for the seminarians and their families as they prepare to return to school.
